

CHARLES T. NZELU

Ojo, Lagos, Nigeria | +234-8149-368-077 | nzelucharles98@gmail.com

SUMMARY

Creative and detail-oriented professional with experience in graphic design, video editing, and front-end development. Skilled in creating visually engaging content and responsive web interfaces, with a strong eye for aesthetics and user experience. Adept at combining technical and creative skills to deliver high-quality digital solutions.

EXPERIENCE

08/2019 to 06/2025 **Graphic Design**

Yetroselane (Clothing Brand) – Gbagada, Nigeria

- Designed creative graphics for clothing branding, promotional materials, and social media campaigns.
- Worked closely with the brand to develop visual concepts that align with its style and target audience.
- Created engaging marketing content that helped improve product visibility and customer interest.
- Managed multiple small business design project, delivering logos, flyers, and digital assests.
- Maintained strong communication with clients to understand their needs and deliver tailored designs.
- Ensure consistency in brand identity across all design outputs.
- Met deadlines while maintaining high-quality design standards.

06/2020 to 10/2023 **Frontend Developer**

- Developed responsive and user-friendly website using React, CSS, and Tailwind CSS
- Collaborated with team members to build and improve web interfaces, ensuring smooth functionality and performance.
- Completed solo projects from concept to developoyment, demonstrating strong problem-solving and self-management skills.
- Integrated front-end components with back-end services using Node.js.
- Utilized Vite for fast development build and efficient project setup.
- Focused on creating clean, maintainable, and scalable code.
- Ensured cross-browser compatibility and mobile responsiveness across projects.

08/2023 to Current

Video editing

- Edited high-quality video content using Adobe Premiere Pro and CapCut for social media and promotional use.

- Created visually engaging video by combining footage, graphics and sound to match client or brand needs.
- Used Adobe Photoshop to design thumbnails, overlays, and supporting visual assets.
- Worked on both team-based and independent projects, meeting deadlines consistently.
- Applied color correction, transitions, and audio enhancements to improve overall quality.
- Adapted content for different platforms, ensuring optimal format and audience engagement.
- Maintained strong attention to detail and storytelling throughout all projects.
